[www.norwaygrants.sk](http://www.norwaygrants.sk)

The “Circular Society Challenges in the Economy 4.0” benefits from 158 865 € grant from Norway through the Norway Grants. The project has been co-financed from the State Budget of the Slovak republic in the amount of 28 035 €.

# Conference details

## Theme

Achieving sustainable growth, development and a functional circular economy requires transformation of the entire established production and consumer chain. The circular economy, often called the economy of the future, can bring solutions, not only to producers but also to consumers.

## Main topics

- Education innovations
- Environmental economics and management
- Regional and rural development
- Modernisation in SMEs
- Crisis management

## Language

English
